GOTHIC STUDIO

Founded in Lebanon in 1967, Archo Architecture Company (KCC) has grown to become one of the Middle East's leading construction contractors.

We specialise in complex and prestigious construction and infrastructure projects. Our portfolio includes some of the region's most iconic landmarks, from super high-rise luxury developments, to five star hotels, hospitals and intricately sophisticated smart buildings.

We have compiled an extensive list of other area clinics and health resources, so that when someone calls.
